Hello Jody and Patrick,
The selection committee for the 2018-2019 distinguished teaching awards has reviewed the packets of the nominees, visited their classes, and discussed the merits of each nominee. The committee recommends awarding the 2018-2019 Distinguished Teaching Award to: Emily Reeder and Precious Yamaguchi.

For the sake of time, I'd like to get this recommendation to faculty senate for the Monday, May 20th meeting. I've cc'd Andrew Gay to help this process along. I will also provide written comments that can be used at celebration events such as the end-of-year breakfast, commencement, etc in due time. For now, please let me know what other information I can provide you for use in the coming days.

Thanks,
~Bret
