To: Kylan M de Vries <devriesk@sou.edu>

Thanks for the heads up. I support the GSWS proposal, and am happy to make adjustments in your SOAN teaching commitments as needed. Let's do me and chat about what you're thinking, and have our annual SOAN schedule spreadsheet in front of us so we can think together about the likely impacts. Let me know when you'd like to do this and we'll find a time.
