Dear Jody, Patrick, and Andrew
The Faculty Development Committee has met and reviewed the packets for the nominees of the Distinguished Service Awards. The committee has unanimously voted in favor of awarding Margaret Perrow and Dennis Slattery the Distinguished Service Awards for 2018-2019.

I will send along a brief summary of their qualifications so that presentations can be made at the end-of-year breakfast, commencement, or other events in due time.

Andrew, would you please place this as an agenda item for the next Faculty Senate meeting?

Many thanks,
~Bret
