If your instructor has used Turnitin’s “Grademark” feature to provide feedback on a written assignment, follow these steps to review your instructor’s comments and suggestions.

1. Click on the name of the Turnitin assignment to open it. Moodle will display a summary page detailing the assignment’s start and due dates.

2. Click on My Submissions.

3. Click on the blue pencil in the Grade column to open your document in the Grademark view.

4. Using your mouse, hover over each blue comment box to read your instructor’s comments. Common editing and proofreading marks will be inserted with text or abbreviations.
