

Prerequisite Coursework for Admission to the MAT Program: MATH Endorsement

General Admission Requirements for ALL Single Subject Areas

Letters of Recommendation

Two letters documenting two separate, successful experiences working with groups of children or adolescents. Experiences in public schools are preferred, and experiences working with students at the middle and high school ages are recommended.

Bachelor's Degree

Program participants must have a Bachelor's degree from a regionally accredited college or university in a field appropriate to the specialty endorsement.

Grade Point Average

Applicants should have a cumulative GPA of 3.0 in the most recent 90 quarter or 60 semester hours of undergraduate work and a 3.0 for courses completed in the selected endorsement area. Applicants who have a GPA lower than 3.0 may apply for post-baccalaureate admission.

Requirements Specific to the Math Endorsement

Degree Major

Applicants to the MAT program in Math must hold a baccalaureate degree with a major in Math (or coursework equivalent to a major in Math).

Required Coursework in Math

The ideal candidate will have satisfied the following requirements:

- MATH 311 Number Structures
- MATH 331 Intro to Real Analysis
- MATH 341 Intro to Algebraic Systems
- MATH 321 Diff Equations **OR** MATH 361 Statistical Methods I
- MATH 346 Linear Algebra II
- MATH 421 Topics in Applied Mathematics **OR** MATH 461 Statistical Methods II
- MATH 481 Topics in Middle and High School Math
- MATH 481 Topics in Middle and High School Math
