### IMPORTANT NOTES:

- \* ECE 300 *ECD Orientation*: Complete this course during your first term within the major; only needs to be taken once.
- \* ECE 309 *Advanced Practicum*: Students must complete six credits of practicum (which can be a combination of upper and lower division coursework). Take ECE 309 as needed to satisfy the requirement. All six credits must be finished before enrolling in ECE 490.
- \* ECE 490 must be completed before ECE 495; students may also concurrently enroll in both courses.
- \* ED 399 One-credit Saturday workshops are held each term (titles vary). These are offered at the reduced tuition rate. See class schedule for more information.
