A screenshot of the Southern Online Scholarship Application web interface. The top navigation bar is dark red with 'Applications 1', 'Opportunities', 'Donors', and 'Test Student' (with a dropdown arrow). Below the navigation bar, a green banner states 'You are now signed in as Test Student.' A blue banner with an information icon says 'Welcome!' and provides instructions: 'It looks like this is your first time signing in. In order to start applying, you'll first need to complete the General Application below. Please keep in mind that the more complete your application is the better the chances are that we can find opportunities for which you are qualified.' The main content area is divided into two columns. The left column, titled 'General Application Progress', shows 'Applicant Record' as a checked radio button and 'Profile Information' as an unchecked radio button. The right column contains instructions: 'You can save your application at any time by clicking Save and Keep Editing at the bottom of the form. Once completed, you can submit your application by clicking Finish and Continue. Note: Required fields are marked with an asterisk.' Below this is the 'General Application Questions' section, which includes a dropdown menu for 'What are your Housing plans for the 2017-18 school year?' and a text input field for 'Street Address'. At the bottom right of the form are two buttons: 'Save and Keep Editing' and 'Finish and Submit'.

You can save your application and return another time to complete it. Just remember, you cannot apply for additional scholarships available in the SOSA until your General Application has been submitted!

4. Once you have completed your General Application, the SOSA will provide you with a list of apply-to scholarships that you may be interested in after you click “Start Applying.”

- Your application has been automatically matched to any scholarships (opportunities) for which you immediately qualify. You don't need to apply for them.

(To review, click the scholarship name, then click the "back" button on your browser to return to this page.) Please keep in mind that "recommended" does not constitute "qualified". Only apply for scholarships that match your qualifications.
- The "All / Ours" page is a listing of other scholarships available. Please read the scholarship descriptions carefully to determine if you might qualify for any additional scholarships. Several of the scholarships listed on the "All / Ours" page require no further action. Please keep in mind that even if you apply, you may not receive an award.
- The "External" page is a listing of third party scholarships with instructions on how to apply or who to contact for additional information. You will not be able to apply for these scholarships through SOSA.
- Remember to click the "Applications" button to access your dashboard listing the scholarships to which you have manually applied.
