Graduate Thesis Binding Form

THESES. Students are **REQUIRED** to submit three (3) print copies of their thesis as well as the electronic version, and complete this submission form and the eScholarship Submission Form. OAR 166-475-0110 on Student Records specifies that OUS institutions shall permanently retain copies of accepted theses or dissertations. One copy is for the department, one for University Archives, and one for the library. The student pays for 2 copies; the library pays for binding the library copy. Students pay for binding of any additional personal copies.

PROJECTS. Binding and completion of the bindery form is **OPTIONAL** for graduate projects. Students are required to submit an electronic version of the project. Submission of a print version of the project is optional; the library will pay binding costs for one copy for its collection. If a student wants any personal bound copies, he/she will pay binding costs. If you choose to give the library a print copy or have a personal copy bound, complete the lines below.

This form, print copies, and any payments, must be delivered to the Hannon Library Room 229.
