OLLI at SOU MEMBER BENEFITS

In addition to the opportunity to register for OLLI courses, your membership benefits are:

1. If you are age 65 or older, and you have lived in Oregon for the past 12 months, and you are registered in an OLLI course that qualifies as an SOU one credit course, and you fill out a one-page course audit application, then you can check books out from the SOU library using your driver's license, another form of photo ID, or an SOU student ID card.

Please stop by the OLLI office, call 541-552-6048, or email olli@sou.edu for a list of OLLI courses that qualify as an SOU 1-credit course, or for a copy of the course audit application.

To obtain an SOU student ID card (optional), visit SOU Enrollment Services on the first floor of Britt Hall. Enrollment Services may be reached by calling 541-552-6600, or email esc@sou.edu. Some members choose to obtain an SOU ID card because some businesses in the Rogue Valley offer discounts to persons who have an SOU student ID card.

Music Concert Tickets

Ensembles: \$5 senior rate.

Special concerts featuring guest artists: \$15 senior rate.

Tutunov Piano Series: \$20 senior rate.
