

POST-SABBATICAL REPORT FORM

TO WHOM AND WHEN TO SUBMIT REPORT:

The sabbatical report should be submitted to the Division Director. A report is expected in every academic year for which the faculty member has one or more terms of sabbatical. **The report must be submitted to the Division Director within 30 days of the completion of the sabbatical period or by the first Friday of the term following the sabbatical period, whichever is longer.**

CONTENTS AND STRUCTURE OF THE REPORT:

Describe the outcomes of your sabbatical, whether the outcomes were met, and how these outcomes have been documented, being as specific as possible. Please also indicate how the sabbatical work might be communicated with colleagues, students and the public.

NOTES:

- 1) The Division Director, in consultation with the Program Chair, will submit to the Provost a written evaluation of the sabbatical. Should the evaluation find the sabbatical performance to be unsatisfactory, appropriate measures may be taken through the faculty evaluation process or other measures.
- 2) The sabbatical leave activity report must be included in the FPAR for the succeeding academic year. Sabbatical leave activity reports will be a component of the colleague evaluation and promotion and tenure processes.
- 3) After sabbatical completion, faculty are strongly encouraged to present their observations or insights to their colleagues. Examples of forums for presentation include (but are not limited to) SOAR, the Campus Theme, Instructional Institute, Friends of the Library, Distinguished Lecturer, or a divisional seminar.
