

All 10 current site supervisors were sent email links to Qaultrics Survey requesting their participation.

***Response rate is considerably higher than last year's (62%).**

1. Did you or someone from your agency attend the MHC Internship Fair this year? (yes – 100%)
2. How useful was the Fair to getting the word out about your agency? (4.3 mean)
3. How useful in meeting and selecting next year's interns? (4.2 mean)
4. Summary of suggestions to improve Intern selection Process:
 - Earlier in year if possible. (x 2); shorter time between fair and matching. (x 2)
 - Each agency should submit paragraph to eliminate lengthy introductions at Fair.
 - Rogue River Room in SU is excellent.
 - More clarity on how much to say to prospective interns, e.g. You are #1 choice
 - We didn't get matched this year and want feedback.
5. Did you receive current version of SOU Practicum & Internship Manual? 100% YES*
Considerable increase from 2013 (33%)
6. What changes for the SOU Practicum & Internship Manual? Fingerprint students

Quantitative questions (7 pt scale)

- SOU expectations are clear (6.1 mean)
- Student evaluation procedures are appropriate and manageable. (6.1 mean)
- SOU clinical coordinator and/or faculty group supervisor are accessible and helpful. (5.7 mean)
- Course schedule is compatibility with internship. (4.4 mean; 3 to 7 range; last year: 5.0 mean)

11. Student-Counselor Preparation: 5 point Likkert scale

Good to excellent (range 4 – 5):

- 4.3 Role of mental health counselor
- 4.4 Ethics
- 4.1 Legal standards
- 4.3 Theory
- 4.3 Counseling skills
- 4.0 Multicultural and diversity skills (increase from 2013)

Adequate (range 3 – 3.9):

- 3.4 Collaboration
- 3.8 Record keeping (decrease from 2013)
- 3.1 Assessment and diagnosis
- 3.2 Referral (*increase from 2013)
- 3.6 Select interventions
- 3.7 Group counseling skills

Below average (range 2-2.9):

- 2.8 Suicide assessment (decrease from 2013)

Survey Suggestions to improve Student preparation:

- More crisis intervention skills; suicide intervention, e.g. ASSIST (x 3)
- Teach integrated care: how health care includes mental health and addictions
- All clinical courses before internship
