To whom it may concern,

This is to strongly endorse the proposed Conflict Resolution Certificate. Our department discussed this proposal at length and I am especially glad to see it turn out so well, partly because I teach one of the required courses but also because as chair, I can represent our department in supporting the proposal.

We hope this interdisciplinary approach will bring more students to our Department and more Communication students to other disciplines of related interest. The important subject matter is something that will be a good focus for the College of Arts and Sciences, as well as the larger university and the entire Rogue Valley.

If I can be of further assistance, please do not hesitate to call upon me.

Thank you.
