Dear Andrew,

I hope this note finds you well. It is spring term and thus time for me to again seek the Senate's approval of the faculty representative serving on the SOU Foundation Board of Trustees. As you know, Lore Rutz-Burri has been serving in this capacity for the last two years. I connected with her earlier in the week, and she would like to continue. I agree. She has been a nice addition, and I would like her to continue if the Senate concurs.

Please let me know if I can facilitate a further conversation with you or the Senate on this. Her nomination will go before the foundation board on June 10, 2020.

My best,

Janet
