Hi Pavlina,

Thank you for sharing the proposal for Sustainable Tourism Management, and I'm pleased that SOAN will be able to contribute to this program!

Please note that SOAN may not be in a position to regularly offer SOAN 311 Community Studies, so I would suggest including this as a Culture/Community elective.

Other possibilities to include in the Culture/Community elective list:

-SOAN 319: Cultures of the World could be appropriate, when the topic is region/culture-specific. I've attached the version I've taught about Mexico. No prerequisite.

-SOAN 355: People and Forests, syllabus attached, no prerequisite.

-SOAN 462: Cultural Resource Management, syllabus attached. ES 103 is prereq.

SOAN 355 & 462 include content on people's social relationships to places/environments, and how those places are managed, so I think fit nicely. Please let me know if you have any questions.

Best,
Jessica
