

Middle School Brain Bowl Scoring wins/loss Scenarios

Scenario A

Team	1	2	3	total
A	W 24*	20*	L 21	65 points
B	L 23	19	W 23*	65 points
A wins the match because they won 1 and had more points in round 2 after a loss in 3 all points get recorded on my end; ROUND 2 isn't even considered until after round 3 is played.				

Scenario B

Team	1	2	3	total
A	L 23	20	W 23*	66
B	W 24*	20	L 21	65
TIE both get a win in the column because they each won a round and Round 2 was a tie. The point difference is 1 point and gets recorded on my end in case after 7 weeks we end up with a need to bring in total points				

Scenario C

Team	1	2	3	total
A	W 24*	17	W 23*	64
B	L 23	20	L 21	64
A wins the match because they had a win in 1 and 3. Points totaled up and recorded on my end. Round 2 isn't considered accept for total points to use after week 7 if needed.				

Scenario D

Team	1	2	3	Total
A	L 21	20	L 23	64
B	W 24 *	17	W 24*	65
B wins match because of rounds 1 & 3, round 2 doesn't come into play but all points are recorded on my end
